

IBEX CASES

- Water-tight with O-ring seal
- Dual padlock hasps
- Pressure release valve
- Wave foams and pre-cut cubed foams included
- Replaceable wheels and retractable extension handle (IC-1800 only)
- Colours

Ibex cases made with rugged molded polypropylene comes in a range of sizes that are suitable for outdoor rugged environments. They are dustproof, water tight, temperature resistant from -20 to 80°C (-4 to 176°F) and comes with pressure release valve to protect pressure sensitive instruments. Removable, customizable pre-cut cube foams and wave foams are included with the case.
