

### Multipurpose Wire Strippers

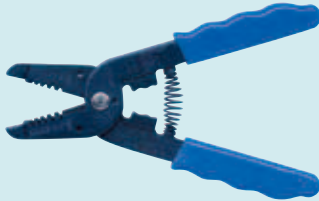

#### CIRCUIT-TEST

MODEL	DESCRIPTION
CT-150	30-10 AWG with spring return

MODEL	DESCRIPTION
100KM	30-10 AWG
101S	30-10 AWG with spring return

#### CIRCUIT-TEST

MODEL	DESCRIPTION
CT-160	26-16 AWG with spring return

MODEL	DESCRIPTION
45-101	24-10 AWG with spring return

MODEL	DESCRIPTION
45-092	22-10 AWG with spring return

#### Paladin Tools®

- Multi-purpose cutter and stripper
- Works for data, telephone and network installations
- Adjusts easily with simple thumb screw
- Self-regulating to prevent nicks
- Contoured finger grips for power cutting
- Nylon reinforced plastic with stainless steel blade

MODEL	DESCRIPTION
PA1116	Wire Stripper - Surestrip®

#### Paladin Tools®

MODEL	DESCRIPTION
PA1118	30-20 AWG with spring return, angled

#### Paladin Tools®

MODEL	DESCRIPTION
PA1117	22-10 AWG with spring return, angled

#### Xcelite®

- Good for stripping PVC / PTFE insulations
- Strips wire from 34 to 8 AWG, without adjustment
- Strips thin wire without damage to the conductor
- Easily interchangeable stripping blade cassettes
- Designed for comfort, precision and minimal hand stress
- Tested to over 150,000 cycles

MODEL	DESCRIPTION
SAS3210	34-8 AWG with spring return, self-adjusting

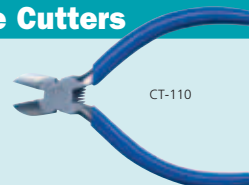

#### Paladin Tools®

- Strips from 0mm up to 20mm length on wire 28 to 10AWG
- Consistently strips industrial insulations including THHN & THHW
- Strips standard insulations including PVC, rubber and silicone
- Provides nick-free stripping with no damage to conductors
- Not for Teflon or Kapton hard insulations
- Lifetime warranty on tool; one-year on blades

MODEL	DESCRIPTION
PA1113	28-10 AWG with spring return

### Wire Cutters

CT-110

170M

MODEL	DESCRIPTION
S475NJSV	Diagonal Cutter 4"
MS54V	Diagonal Cutter 4"
CT-110	Diagonal Cutter 4.5"
CT-130	Diagonal Cutter 6"
CT-133	Diagonal Cutter 8"
45-074	Multi Conductor Cutter
CT-140	Shear Cutter 5"
170M	Shear Cutter 5"
175M	Shear Cutter 5" with Safety Clip
