## Wire Labeling

### RITE & WRAP® DISPENSER

- Super-strong adhesive, impervious to oil and water
- Serviceable temperature range: -40 to +120°C

Pocket-size disposable dispenser containing a roll of pre-cut, self-laminating wire markers. Each marker has a white area for marking with pen or pencil. The transparent portion of the marker wraps around to laminate and protect the write-on area.

MODEL	LABEL WIDTH	LABEL LENGTH	WRITE-ON HEIGHT	QTY
RW52	0.75"	1.875"	0.5"	150
RW13	0.75"	3"	.75"	90

### CIRCUIT-TEST
