

Braided Wrap Sleeving

CLEAN CUT SLEEVING

Cuts cleanly with scissors - convenient for installers! Also lightweight, flexible and resistant to abrasion, UV and moisture.

CIRCUIT-TEST

MODEL	DIA.	LENGTH	COLOUR
PET-1/8-BK-12	1/8"	12ft	Black
PET-1/8-BK-100	1/8"	100ft	Black
PET-1/4-BK-100	1/4"	100ft	Black
PET-3/8-BK-100	3/8"	100ft	Black
PET-1/2-BK-7	1/2"	7ft	Black

SPLIT SLEEVING

Semi-rigid braided sleeving with a lateral split. Self-wrapping around cables without additional securing; loose ends cut cleanly with a hot knife.

CIRCUIT-TEST

MODEL	DIA.	LENGTH	COLOUR
PTS-1/4-BK-10	1/4"	10ft	Black
PTS-1/4-BK-200	1/4"	200ft	Black
PTS-1/4-WH-10	1/4"	10ft	White
PTS-1/2-BK-7	1/2"	7ft	Black
PTS-1/2-BK-150	1/2"	150ft	Black
PTS-1/2-WH-7	1/2"	7ft	White
PTS-3/4-BK-5	3/4"	5ft	Black
PTS-3/4-BK-100	3/4"	100ft	Black
PTS-3/4-WH-5	3/4"	5ft	White

HOOK & LOOP SLEEVING

Split, flexible tube that self-wraps around cables, then held securely shut by hook-and-loop strip. Cuts with a hot knife.

MODEL	DIA.	LENGTH	COLOUR
PF-1/2-BK-25	1/2"	25ft	Black

Spiral Wrap

Expandable polyethylene spiral wrap for securing wire assemblies. Features a strong grip due to the torsion cut and memory of the plastic. Easily removed and re-applied.

Split Loom

PICO

Flexible black polyethylene tubing holds wires in position and protects against abrasion and breakage. A lateral split allows easy insertion of wires, yet the split remains virtually closed when the tubing is bent or twisted. Temperature range of -34 to 93°C.
